September 1, 2016

Dear Parents and/or Guardians,

We are pleased to announce that we will be continuing our **Breakfast After The Bell** program. You often hear that breakfast is the most important meal of the day. We are proud to be offering a program that allows students to have this very important meal together in their classrooms with their peers. The program will start on the first day of school, September 6th. All students who receive free or reduced meals will have a breakfast provided to them at no charge. If you would like your son or daughter to have a breakfast, you can order one using the link below. The price of the meal will be \$1.60.

You may also send your child in with a healthy breakfast from home. We ask that you be respectful of children with allergies and only send in items that meet the guidelines for your child's classroom.

This same link that will be used for the entire year. Please feel free to bookmark it for your convenience. It could also be found on our website. Any changes in the menu will be reflected on the order form by Friday afternoon.

Thank you for your continued support.

Sincerely,  
***Robert Preston***  
Principal
