Welcome Back

Take Your Daughters and Sons
to Work Day 2014

Light It Up Blue Autism
Awareness Fair

Welcome Back

I hope that you all had a safe and enjoyable spring recess. It was a well-deserved break after the long winter that we had. It has been a while since our last update. As the year winds down, there are many exciting events happening at Arleth Elementary School. I am hoping to send out more updates to keep you posted on all

events that the staff and students are doing. Here are just a few...

Bring Your Daughters and Sons to Work Day

The national observation of “Take Our Daughters and Sons to Work Day” will be held on Thursday, April 24, 2014.

This is a wonderful activity that raises career awareness, increases self-

esteem and promotes quality family time. Please note that in order to adjust your child’s attendance as an excused absence, we must have a letter from the employer indicating that the student participated in “**Bring Your Child to Work Day**” activities. Kindly send in the letter to your child’s teacher no later than Monday, April 28, 2014. Once the letter is received, your child’s absence will be marked BCW.

Light It Up Blue Autism Awareness Fair

On Saturday April 26th, Arleth Elementary School will be holding its first annual Autism Awareness Fair.

The event will take place on school grounds from 9:00 to 1:00. This is a fun

event for the whole family. There will be a community garage sale, car wash, vendors, and food. There will also be a “Kid Zone” for the children.

There will be two bounce houses, face painting, sand art and games.
Please come out and support this worthy cause.

Robert Preston
Principal
Arleth Elementary School
