Winter Concert

Welcome Back

Welcome back! I hope that you all had a safe and enjoyable winter break. I am looking forward to a very exciting 2014 filled with many wonderful programs and activities. The first will be Monday, January 13th. We will celebrate Emma Arleth's birthday and run our Student Principal for a Day program. Please remember that Monday, January 13th is also an early dismissal day. Students will be dismissed at 1:15 p.m. Please make the necessary arrangements.

Food Drive

**DONATE
FOOD
HERE**

During the last food drive, we collected approximately 700 cans of food for the Sayreville Food Bank. Thank you for your generosity! Our next food drive will occur from January 21st through the 30th. The theme is "Souper Bowl". Why not participate by using a can of soup to vote for your favorite Super Bowl Team? To kick-off the "Souper Bowl" weekend, wear your favorite team jersey on

Friday, January 31st.

Golden Awards

Arleth Elementary School conducts a character education program called the Golden Awards. Our second awards assembly was held on December 19th. The character trait that we learned about for November and December was "Caring". Students learn about different character traits and try to utilize the trait in everyday activities. It was very exciting as individual and class winners accepted their awards on stage in front of their teachers and peers. Congratulations to all of the winners! The next character trait that we will learn about is "Compassion".

Winter Concert

The chorus had their winter concert on December 11, 2013. It was a splendid show and the students did an excellent job. I want to thank everyone involved for putting on such a wonderful program. Mr. Zorner continues to share his knowledge of music with Arleth School and reminds us of the beauty that music brings to our life. We are already looking forward to the spring concert.
