GEOY

Congratulations to Mrs. Krainski and Mrs. Moroch for being selected as Arleth's winners of the Governor's Educator of the Year award. Mrs. Moroch is a member of our child study team. Mrs. Krainski is a third-grade teacher who is also extremely active in the school community. Congratulations to both of these well deserving people.

Winter Festival

Our Winter Festival was held on January 22. It was a tremendous success. Over 200 students participated in this fun family event. Students and their parents visited a variety of stations that included stories, games, crafts and other winter themed activities. The highlight of the festival was a life-size gingerbread house in the library that students could visit. Thanks to Mrs. Jung, Mrs. Jucciarone, Mrs. Gunter and all of the teachers and staff who helped make this a fun night for the children.

Souper Bowl

Arleth continues to show how much they care by collecting canned food. Students recently participated in the Souper Bowl. Students were asked to vote for their favorite team by donating a can of soup. Approximately 200 cans were collected in this year's activity. Mrs. Comerford's class will continue the food drive through the next couple of weeks. All items are to be donated to the Middlesex County food bank.
