## Welcome Back!

Welcome back to school! We are excited for another wonderful year. We had a fabulous first day and the year is getting off to a great start. I would like to thank the teachers, custodial staff and technicians for all of their work to help get Arleth ready for the start of school. I would also like to take this opportunity to welcome Dr. Labbe our new superintendent and Ms. Tamika

Bauknight our new assistant superintendent. Here's to a great year!

---

## Visitation Policy

We have instituted a new visitation policy in order to help keep our school safe and secure. If you are dropping something off for your child, please utilize the plastic bucket outside of our main entrance. Put your child's name and teacher's name on the item.

We will come outside to get the item and deliver it to your child. If you need speak to your child's teacher, we ask that you make an appointment with the teacher.

---

## Arrival and Dismissal Procedures

The new arrival and dismissal procedures seem to be working well. We will continue to analyze the process and make minor adjustments to make these routines run even better. Please remember to follow the one-way flow of traffic and exit to the right utilizing the traffic light. As always, use caution and drive safely.

---
